

Father and Lord of all creation.  
You have given us Your Church,  
all things spiritual and Your written Word.  
You love us unconditionally and call  
us to grow closer to You always.  
Holy Spirit, fill us with Your wisdom and insight  
as we look at the treasures You may have for us  
in The Cornerstone Catholic Scripture Study.  
We desire to build, strengthen and deepen our  
relationship with You and to love You more.  
Thank You for those who lift us up in prayer  
through this discerning process.  
Be with us each step of the way  
and lead us to what is right for  
us at this time and always.

We ask these things in the power  
of Your Awesome and Holy Name.

Amen
