All the Branches established currently are listed. Check the branch you are joining if a new member or scroll down to confirm that you have a check mark next to the branch you are currently a member of.

After
confirming your
branch is
checked, click
on the Next
button.

You will then be prompted to fill out additional fields in your profile. Scroll down to make sure you get all the fields completed. When finished click on the Save button.

This is the last screen you will see on your phone to let you know your profile updates are complete.

This Text-to-Join process can be used by any member of The Cornerstone to update their profile information at their convenience. This is an easy way for Branch Coordinators and Facilitators to maintain an accurate and updated database of their membership.
