All songs are suggestions, only, and can be found on YouTube. Meant to help if you are in need of a song or need help. There are so many wonderful songs. An alphabetical list is at the end of this document. Some songs have links so you can preview the song. A couple are **unlisted** which means you will not be able to find it on YouTube – you must use the link to use the song. The unlisted songs are songs I did not create. I may have shortened, edit, or added something for our specific study.

Enjoy Exodus -

*One asterisk means it was made for the study

**Two asterisks mean it's new and interesting. It may or may not have lyrics yet.
